☐ I have an existing MBA account with AG Financial.

☐ Yes, I choose to participate in the Retirement Contribution Program of the Rocky Mountain Ministry Network partnered with AG Financial Solutions.*

☐ No, I do not wish to participate.

By opting into the Retirement Contribution Program, you will be automatically enrolled in the 403(b) plan if you do not already have an account. Ministers over 70 years of age may not enroll to receive District contributions only. If you have any questions about setting up an MBA account, please contact Jordan Izumi, Retirement Planning Consultant with AG Financial, at 1-800-622-7526.

By enrolling in the 403(b) plan with AG Financial, I elect that my contributions will be invested in the MBA Fixed Income Fund and my beneficiaries will be designated according to the 403(b) Retirement Plan document. I understand that I may elect other investments and choose my beneficiaries according to Plan policies.

Information on the Plan document and available investments is available at www.AGFinancial.org/retirement. You have sole responsibility for your investment elections and are encouraged to review your available investment options. Investment elections and beneficiary designations may be changed at any time to fit your individual needs.

IRS and 403(b) Plan rules restrict when amounts contributed to a 403(b) plan may be distributed. Please see the Plan document or contact AG Financial at 800-622-7526 for more information.

I understand and will abide by the monthly requirement for both the General Council and the District Council. Should I fail to meet the minimum financial requirement, I would count it reasonable and just for the GC Credentials Committee to not renew my credentials.
