For the past six plus years Chet Roberts has been the Denver Metro North Section Commander. Chet is a long-time friend of mine. I knew Chet's family and Chet when he was growing up in Northeastern Colorado. We attended church with Chet and Jacie for many years at Abundant Life Christian Center in Arvada.

Chet told me several months ago that he felt it was time to step down as Sectional Commander. His genuine love for the Royal Ranger ministry has been evident over the many years. It would be great if every person had the passion for reaching, teaching and keeping boys for Christ that Chet has.

A person who has helped Chet with sectional activities has been another dedicated Royal Ranger leader, Eric Hennigan. After conferring with Presbyter Bo Sosa, I have asked Eric to take the reins of Royal Ranger Sectional Commander for the Denver Metro North section.

Eric and his wife, Rachelle, and their family attend Abundant Life Christian Center. Eric has a heart for the ministry and is anxious to see the ministry help each church in the section to minister to their community.

Eric's address is 6928 Jay Ct., Arvada, CO 80003: 303.467.9607; erhenn@wwdb.org. Let him know of any way he can assist you to reach your community for Jesus Christ.

Ready to Serve!
