Pathfinder Missions Trip, Huizuchi, Mexico May 15 - 23

We are going ahead with the Missions Trip to Mexico.

Tom Holden gave us a good start on this project and we are going to continue with it in remembrance of this great man of God and Royal Ranger leader.

A review of where we are. We would like to have 20 men - 16 years or older (14 and 15 if accompanied by their dad) to go to Huizuchi, Mexico.

We will leave Pueblo, Colorado the morning of May 15. We will meet Missionary Nicky Rider in El Paso, Texas the evening of Friday, May 15. Saturday, May 16 we will travel to Samachique, Mexico and spend the night in sleeping bags in a Bible Institute building. Sunday we will travel to Huizuchi to begin work putting in footings, laying a block stem wall and pouring a cement floor. Thursday afternoon, May 21 we will begin the trip back stopping in Samachique to sleep. Friday we travel to El Paso and on Saturday return to Pueblo.

The deadline for getting \$850 and your application to Rocky Mountain Royal Rangers is April 10, 2009. Make the check out to RMDC. Application is available at <http://rmdc.org/files/Royal%20Rangers/files/MissionsTripToMexico-20090515.pdf>

You will need to take a hammer, tape measure, sunscreen, hat and an up to date passport.

Some other needs:

1. Need to have a person to head up the construction part of the project, for the want of a better word; we need a job foreman to oversee what we are doing while there.
2. Need a person willing to cook the food for the team.
3. Prayer for each person that is going for safety while traveling.
4. Prayer for the people that we will be ministering to while there.
