Help! I Have Become My Kids Teacher

Recently we held a webinar where teachers and homeschool moms shared their secrets. Below is the list of resources they provided to help you teach at home!

General Information

Zearn Math is a complete **math** program that provides Common Core aligned **math** lessons which are personalized to individual learners and based on Eureka **Math** / Engage New York. Lessons focus on three critical components: deep understanding, fluency, and problem-solving.

Khan Academy - The Khan Academy is a non-profit educational organization that provides free video tutorials and interactive exercises. The **Academy's** declared mission is “changing education for the better by providing a free world-class education to anyone anywhere.”

Elementary

MobyMax - MobyMax Foundational Reading focuses on key skills such as phonological and phonemic awareness, decoding, segmenting, blending, syllabication, and more. Mastering these skills will lay a solid foundation for future reading success.

[Incredibox.com \(Music\)](https://www.incredibox.com/) - Incredibox is a music app for creating your own music with the help of a merry crew of beatboxers. Part game and part tool, Incredibox is above all an audio and visual experience that introduces kids and adults to notions of rhythm and melody in double-quick time!

[Go Noodle - Get Moving](https://www.gonoodle.com/) - GoNoodle helps teachers and parents get kids moving with short, interactive activities. Desk-side movement helps kids achieve more by keeping them engaged and motivated throughout the day. GoNoodle is designed with K-5 classrooms in mind.

[sumdog.com](https://www.sumdog.com/) (ages 5-14) - Parents need to know that Sumdog is a way for kids to practice math skills while playing fun, math-related games against friends, classmates, or students from around the world. Games are individualized for each kid's ability level, so users can play against opponents who have the same skills.

Secondary

Flinnsci.com/at-home-lab-series - Born from a desire to serve science teachers, Flinn Scientific has grown to become a trusted source for science supplies and equipment, laboratory chemicals, and lab safety resources.

readitwriteitlearnit.com - Read it. Write it. Learn it. was created to share tried and tested ideas, lesson plans, and interactive and engaging activities for middle school ELA.
