## COMMENTS

- a) Jane, great song - and nicely arranged. Lovely.
- b) Don't be afraid to take control of the room even as you're approaching the stage. Communicate with your body and pace that you are confident in the message you have to sing about.
- c) You were flat a few times - especially on "Lord."  
To correct:  
1) Take a deep, lowback, supported breath before the phrase.  
2) Open chest, throat, and mouth as much as possible for max resonance.  
3) Approach the note/vowel from the top - avoid stretching from beneath the note.
- d) Wonderful impact and ministry. Thanks,  
Jane!
