BENEFICIARY DESIGNATIONS

According to the Plan, if married, your spouse must be listed below as your sole primary beneficiary unless spousal consent is provided for alternate beneficiaries. If you list a trust as your beneficiary, you or your representative agree to provide a copy of the trust document and all amendments or furnish required certifications in a timely fashion. Consult appropriate tax and/or legal counsel regarding your individual circumstances.

The following individuals or entities shall be my primary and/or contingent beneficiaries. If neither primary nor contingent is indicated, the individual or entity will be deemed to be a primary beneficiary. By default, if any beneficiary dies before me, his or her interest and the interest of his or her heirs shall terminate completely, and the percentage of any remaining beneficiaries shall be increased on a pro rata basis. If the preference is to have that beneficiary's share to go to his or her descendants, check Per Stirpes. If no distribution percentages are indicated, the beneficiaries will be deemed to own equal share percentages of the investment. If needed, attach, sign, and date a separate sheet and provide the required information as indicated below.

SPOUSAL CONSENT IF APPLICABLE
If you are married and have not designated your spouse as your sole primary beneficiary, your spouse must sign below stating you may name someone other than your spouse as beneficiary. If Spousal Consent is signed, then either notarization or witness by an AGFinancial representative is required.

I am the spouse of the above-named participant. I acknowledge that I have received a fair and reasonable disclosure of my spouse's assets in the Plan. Because of the important tax consequences of giving up my interest in this retirement account, I have been advised to see a tax professional. I hereby give the participant my interest in the assets in the Plan and consent to the beneficiary designation indicated above. I understand that in approving the designation of a beneficiary other than myself I am waiving my right to any benefit under the Plan. I further understand that this designation will remain in effect until a subsequent beneficiary designation with my written consent is filed. I assume full responsibility for any adverse consequences that may result.

IMPORTANT INFORMATION

Contributions are intended to stay in the plan until death, disability, or retirement. The Internal Revenue Service (IRS) and the AGFinancial 403(b) Plan place restrictions on when distributions may be taken. To receive a distribution from your elective deferrals and employer contributions, you must meet a distributable event as defined by the IRS and the Plan.

Severance from employment with any and all Eligible Employers is an additional distributable event. Self-employed ministers or military chaplains and credential holders employed as ministers at non-AG employers must meet the definition of severance from employment as established by Plan policies for a distribution under this reason.

Administrative and investment services fees may be deducted from accounts. Separate transactions fees may also apply.
