

2024 UTAH LADIES RETREAT

Off and on for years I have struggled with who I am. Like most girls during their childhood, I was constantly trying to figure out where I fit. As I grew older and especially into adulthood, that seemed to happen less often, but nonetheless, that little nagging insecurity would raise its head every so often.

It was just recently that I found myself again in a similar place. Having a new position at work and adjusting to my new role was a struggle that surprised me and took me a while to get a hold of. Then my husband took a new position that put us in the limelight like never before, and how was I supposed to navigate that?

I was thankful that God met me at the most opportune time and spoke to me. He told me who I was, and I didn't have to question it anymore. I get to be me!

Ladies Retreat this year is going to be designed around who God has CREATED you to be. It is for all ladies 9th Grade and up. Girls ages 14 – 18 will enjoy the LOFT, which is designed to minister to girls in their high school season, while ladies ages 18 and over will be inspired by the breakouts designed for them. Please bring your high school girls.

Each church can register by mail by using the group sign up sheet enclosed and mailing in one church check or your church coordinator can create a group to register online at rmdc.org/utretreat/ Check out the Retreat Apparel located in this packet.
